Orientation

Opening Minds Opening Doors

This years' orientation kicked off on Saturday August 28, 1999. This year's theme was entitled, "Opening Minds, Opening Doors." Orientation is a time for new incoming students to become acquainted with their new college surroundings. Not only do they learn about the university, but they get to know each other. Orientation leaders and their orientation groups participated in various activities around the campus. Some of the activities included: Play Fair, a huge icebreaker; entertainment by hypnotist, Dan

LaRosa; and North Campus games. Students really enjoyed themselves by engaging in a wild water fight with balloons, buckets, and even a hose. Innocent bystanders also got drenched in the war. A main highlight during the weekend was funny, yet informative skits performed by the orientation leaders. All orientation groups designed a banner. These banners were then voted on. The winning banner is now on display in the cafeteria where it will remain until the Class of 2003 graduates.

This year's orientation leaders were: Anthony Adinolfi, Benjamin Arnold, John Blickley, Mary Boyer, Chrissy Brinkos, Monica Cappuccia, Jason Cella, Richard Ciarlo, Richelle Clini, David Collins, Sarah Cornelius, Alan Cramer, Maria DiVirgilio, Shereen Elghamwari, Scott Gruzas, Aaron Hilliard, Stacy Hoover, Keith Jenkings, Erika Kamens, James Kersten, Laurie Kopf, Samantha Kopp, Maryann Lazowski, Michael Lewis, Braden Long, Stacy Peace, Teetee Roberts, Theresa Sites, Vanessa Smith, Elizabeth Stubert, Chrystie Tomala, Diedre Updegraff, Jason Vasilakos,

Reinis Visners, and Heather Welty.

Right top: The Class of 2003 gathered together for this shot near Bixler Hall.

Left bottom: Elevators in both Botwinik and Bixler made moving in for freshman Andrew Tarasuk much easier.

Right bottom: Veteran orientation leader, Theresa Sites proves her strength by carrying rookie orientation leader Mike Lewis through the training process.

Convocation

Club Fair

Convocation is a formal welcome to new students by the faculty, staff and administrators. It is also the official opening of the fall acedmic year. This year's ceremony took place in the residence quad. The warm welcome fell on a gorgeous day. President DeNardis, as well many others, congratulated the new students on their many achievements and wished them well on their new journey at UNH.

The Club Fair was one of the final events that took place during orientation. It is here, that new students have their first opportunity to get involved in campus life. All clubs and organizations had an information table at the fair. Clubs were looking to recruit new members. This year's club fair proved to be a success.

Pep Rally

The annual Pep Rally took place in the residence quad the day before Homecoming. Students showed their support by attending and cheering on the football team.

The Pep Band provided the musical aspect of the rally. Their sound could be heard throughout the campus.

Homecoming

...reuniting alumni, faculty, and students. The theme of Homecomning '99 was "Return of the Alumni." Clubs and organizations once again participated in the float competition. The pep band took 1st place for the second year in a row. Lambda Alpha Epsilon and the Fire Science Club placed second and third. The almuni theme award went to Phi Sigma Sorority.

Unlike the previous two years, the weather was perfect for partying. Some clubs and organizations went all out this year. Delta Sigma Alpha had a tent larger than the Alumni tent, while LAE had a dunk tank. Overall, Homecoming was a day to remember and full of fun.

President DeNardis

To the Class of 2000,

I want to extend my sincere congratulations to all of you who have had successful educational careers at the University of New Haven.

As the class poised on the threshold of the 21st century, you have been students during remarkable times. As you forge ahead into the next century, the excellent educational foundation you have earned through a great deal of hard work will serve you well. Whether you decide to further your education or enter the workforce, we at UNH know that you will tackle your goals with enthusiasm and continue to set the bar of your professional and personal goals even higher.

The next millennium will bring many changes to our society, a time of new discovery and challenges for all of us. It is my hope that you make the best of all opportunities presented to you, as you have throughout your undergraduate careers.

The faculty and staff at UNH join me in congratulating you on your diligence and perseverence, which have led to the achievement of an undergraduate degree. We know you will continue to make us proud and that your future accomplishments will continually reflect a positive light on our University.

Sincerely, Lawrence J. DeNardis President

Bethel Hall...

The class of 2000 was the last incoming class to share the Bethel experience. Despite the many maintenance problems of the older building, the freshmen still managed to have a blast. With the suite style living arrangements, it was easy to gather and meet fellow freshmen. Reflecting on some of the many memories that only a Bethel 1996 freshman could appreciate: the wonderful, clean bathrooms, long lasting supply of hot water, the bridge, the basketball hoop, the hot RD, funneling, constant pranks, the use of slingshots from the AN suite, water fights galore, the fire in the GS suite, the Jess and Jill fight, Paul and Crazy Paul living in their own private suite, fire bush, the DS and DN boys, Walser eating a goldfish, forgetting your keys and getting locked out of your room, pennying people in their rooms, the short walk to Eddie's and the even shorter walk home, stealing letters from Video Plus, and many, many more..... Class of 2000:

I would like to offer my sincerest congratulations on a job well done. It has been a pleasure working with many of you throughout the year. The mark you have left here at UNH has been a positive one. Through the years, the Class of 2000 has brought something important to the University, desire. The desire to make a difference. I challenge each one of you to continue to strive to be the best you can and make a difference.

I wish everyone the best of luck in the future.

Forensic Science and Chemistry

The Forensic Science and Chemistry Club at the University of New Haven is one of the most active clubs on campus. The club's membership has exploded in recent years due to the influx of Forensic Science students from across the country. Each year, they traditionally sponsor a campus wide scavenger hunt to honor National Mole Day, a Murder Mystery Dinner in the spring semester, and performance demonstrations at local middle schools. The goal of the Forensic Science and Chemistry Club is to bring together, in a fun and educational setting, those students of the University who have an interest in forensic science and/or chemistry, and provide them with a better understanding of these fields.

Executive Board: Adam Fleischer holds the President position, Shereen Elghamrawi is Vice President, Christine Brinkos is Secretary, Michelle Ervin is Treasurer, and James Marano is Sergeant at Arms. Members: Brad Marshall, Shervaun Clark, Courtney Vito, Amanda Venturi, Connie Amato, Jessica Leech, Kyle Bean, Andrew Oprysko, Tina Barney, Brandon Long, Jennifer MacDonald, Gretchen Holden, Jennifer Faer, George Franck, Brian Kenney, Melissa Penson, Brandi Benjamin, Kimberly Gorel, Erica Blais, Melinda Ehlers, Leslie Perez, Anthony Perez, Denise Conrad, Ruby Fresneda, Brad Cunningham, and Chris Richards.

Charger Bulletin

The Charger Bulletin is a student run newspaper at the University of New Haven. It provides students and faculty with information about what is happening here on campus such as movies, lectures, and even club meetings. Students can read their horoscope or catch a glimpse of the campus candids. Overall, the newspaper is a great resource for students and faculty.

Editor, Theresa Sites and Assistant Editor, Steve Beeler have become a dynamic duo this semester, tackling the many challenges of reporting, photography, and writing.

Chariot Yearbook

The Chariot Yearbook is the organization that throughout the year works to take the entire year, capture it and then put it into one complete book for all to enjoy. The yearbook's goal is to best represent everyone's life here at UNH, from sports, clubs and organizations, to residential life. As the years go on, memories are made and it is the yearbook staff's job to make sure that those memories are forever saved.

LASA

LASA, the Latin American Student Association, was developed to provide the Latin American students with awareness of their culture. It helps students keep in touch with their culture and heritage. The biggest event that they sponsor is the Latin Awareness Week, which is open for the entire UNH community.

Fire Science Club

The Fire Science Club was formed for students majoring in fire science, arson investigation, and other students who are interested in the field. It provides the UNH and West Haven community with information about fire safety and other important issues. Many of the club members are involved with fire companies in their hometowns and in the surrounding areas of UNH.

SADHA

SADHA is the Student American Dental Hygienists Association. Members of SADHA are actively involved with the community by having food drives, volunteering at local shelters for Thanksgiving and raising money for important causes like Breast Cancer Awareness. The main goal of SADHA is to professionally educate the community on the importance of oral health. SADHA prepares UNH dental hygiene students for entrance into the American Dental Hygiene Association.

BSU

Working towards the goal of diversity and understanding people of different races, the Black Student Union (BSU) has been an important part of the UNH campus for many years. BSU is an organization whose focus is unity. It unites African American students. The main purpose of the club is to educate the members about their culture. BSU also organizes events throughout the year for students to cross the bridges of communication. Some of these events include: fund-raisers, dances, Black History Month, socials, and educational events that are all in the interest of creating unity.

The International Student Association has both UNH graduate and undergraduate students as members. The ISA organizes parties and the International Festival which is held in the gymnasium. ISA has several meetings a semester. The ISA is an organization of members from over fifty countries.

CSA

The Caribbean Student Association was established to unite all people of West Indian Heritage. The founders of the club felt that their culture was not being recognized at the University. The purpose of CSA is to enhance cultural awareness among its members and the University as a whole. CSA believes in maintaining an organization of the highest standards, to ensure a constant flow of ideas and the success of its members.

MEISA

The purpose of MEISA (Music and Entertainment Industry Student Association) is to increase the interest of the music and entertainment majors, by communicating with other students, teachers and professionals involved in the industry. The goal is to increase student knowledge and education in the field of music business. The club provides a forum of guest lecturers, field studies, presentations and discussions in the various areas related to the music business. The club sponsors and creates activities that will allow students to gain experience in industry-related tasks, to discover and maintain internships and career opportunities in the music and entertainment industry.

A-Team

"We the Admissions Team of the University of New Haven, not only serve the university, but also provide a dimension that will make a lasting impression and have a profound impact on a prospective student's decision to enroll." The "A"-Team is an organization geared to those interested in giving back to UNH. The "A"-Team gives tours and hosts possible students in the overnight program. They also make numerous trips to college fairs, to show off the university and finally any event that may promote the university in a positive way.

Sports Management Club

The Sports Management Club was formed for those students who have a love of sports. It provides the students of the university with lectures, trips, fund-raisers, a "women in sports week" and various other functions. The club accomplishes these from both an educational and an entertaining angle. The Sports Management Club provides an opportunity for sports lovers to come together and bring great activities to fellow students.

Alpha Lambda Delta National Honor Society

The Alpha Lambda Delta Honor Society is a chapter of the National Honor Society. This society recognizes students with high scholastic achievement. The purpose of the organization is to promote a high standard of learning and to assist members in recognizing and developing meaningful goals. To be eligible for membership a student must complete 27 credit hours with a cumulative QPR of 3.50 or higher and be enrolled as a day student.

ASID

UNH's Student Chapter of the American Society of Interior Design was formed to provide students with a link to professionals in the field of interior design. Student members focus their efforts on participating in activities involving professionals in Connecticut working in the fields such as Career Nights, Continuing Education Seminars, and Trade Shows.

Travel and Tourism Club

The Travel and Tourism Club is a very unique club on the UNH campus. It is for students who major in the travel and tourism industry. The club gives these students a chance to get "on-hands" experience and helps to find jobs and internships. The club's main goal is professional development. They do many events on campus such as movie nights and fund-raisers. They also take field trips to many places that deal with the travel and tourism industry.

National Society of Black Engineers

The UNH Chapter of the National Society of Black Engineers is one of 250 chapters nationwide. NSBE has three main goals and objectives. The first is to stimulate student interests in various engineering disciplines. The second is to strive to increase and retain minority students studying engineering and the sciences at an undergraduate level. The third is to encourage and advise minority youth in the pursuit of an engineering career.

SMILE

Students Making an Impact on their Living Environment (S.M.I.L.E.) is a community service club which strives in benefiting the University and general community. S.M.I.L.E. goes beyond the call of duty to help those in need. S.M.I.L.E.'s main objective is to build a better environment in and around the University and leave a "smile" on someone's face.

WNHU

The University radio station, WNHU 88.7 F.M., was established on July 4, 1973. WNHU broadcasts 1700 WATTS across 5 counties in Connecticut and 2 on Long Island. WNHU broadcasts over 22 different musical styles and provides many nonmusical programming such as talk and information shows as well as Charger sports. Each year WNHU proves to be a major force in the college radio world, getting accolades in all the major music industry trade magazines. It is the diverse program schedule backed by student, faculty and community volunteers which is responsible for WNHU's success.

LAE

The American Criminal Justice Association (ACJA) is a national pre-professional and professional organization. The goals of the association include improving technology, training and service for the benefit of the criminal justice system. UNH's local chapter of ACJA is the Psi Omega chapter of Lambda Alpha Epsilon. LAE offers students a variety of activities including community service as well as the opportunity to meet and work with practitioners in the field.

SCOPE

The Student Committee On Programming Events is also known as S.C.O.P.E. The programming board at the University of New Haven is a collaboration of students dedicated to the development of activities on campus. S.C.O.P.E. plans an average of 100 events per year. With over 30 members and 8 standing committees S.C.O.P.E. brings entertainment to the campus through planning events such as Homecoming and May Daze weekends. Members annually attend the N.A.C.A. conference in search of new ideas. Most of all S.C.O.P.E. is all about fun!!

Harmonies

The Harmonies have been at the University of New Haven for over five years. The Harmonies sing songs ranging from gospel to pop, from spirituals to R&B. The Harmonies participate in the International Festival, Holiday Festival, Gospel Fest, Commencement, Midnight Madness and Athletic Events.

Communications Club

The Communications Club has started a new trend this semester. They have started filming various television shows that are aired on the University channel. As well as providing entertainment for UNH residents, the club also invites experts in communications to the campus as guest lecturers. The club also organizes trips to many communication sites.

GLBSA

The Gay, Lesbian, Bisexual, Straight Alliance (G.L.B.S.A) provides a safe environment where all members of the university community, regardless of sexual orientation, can meet and discuss concerns, needs and welfare of the students. It is G.L.B.S.A.'s goal to provide support for all students, to promote awareness, and to educate the Uuniversity community as a whole.

Reena Wyman - Presdient Lauren Adasiak - Vice President Samantha Kopp - Treasurer

Pep Band

The Charger Pep Band is a fairly new organization to the UNH campus, having started in the fall of 1997. They have been active at Charger sports events, such as football and basketball games. Although small in number, the Pep Band shows musical support for the UNH athletics in a big way. They hope to see more musicians get involved, and they look forward to continuing to show their support for UNH.

The Inter Fraternity Sorority Council

The IFSC is the governing body of the fraternities and sororities. In addition to setting the rules of Rush, the IFSC promotes friendship among the fraternities and sororities. The council also serves as a hearing body to resolve problems, should they arise. Any Greek letter named social organization wishing to hold any type of activity at the University of New Haven must be recognized by the IFSC. The IFSC keeps the Greeks together and running strong. The IFSC organizes many annual events such as the Gong Show, Singled Out and a barbecue before the start of Rush.

Chi Kappa Rho

Chi Kappa Rho Sorority was founded in 1963 by Virginia M. Parker. Chi Kappa Rho is the oldest Greek organization at the University of New Haven. Annual events sponsored by Chi Kappa Rho include a Pie in the Face Contest and a fashion show to raise money for the Virginia M. Parker scholarship. Chi Kappa Rho participates in many campus events and off campus community service projects. Chi Kappa Rho's primary goal is to promote a better friendship and understanding among women at this University.

Delta Epsilon Beta

Delta Epsilon Beta Sorority is the most recent sorority to join the Greek community at the University of New Haven. The sorority was founded on October 26, 1966, at Bloomsberg State College in Pennsylvania. The letters DEB, were brought to UNH by ten women who had common goals and shared interests. The intentions of Delta Epsilon Beta Sorority are to provide and promote unity and diversity. The sorority strives to foster a relationship among the sisters, as well as continuing strong relationships among Greek organizations. Delta Epsilon Beta focuses on community involvement, particularly those issues concerning women and children.

Delta Sigma Alpha is a local fraternity on the UNH campus and has been in existence since 1986. Justice, wisdom, and brotherhood are the guiding principles of Delta Sigma Alpha. It strives toward the promotion of friendship, development of character, diffusion of liberal culture, and the advancement of justice. While Delta Sigma Alpha is a social fraternity, it has established very high academic standards. Delta Sigma Alpha is unique because it is the only non-secret fraternity on campus. Furthering community service activities and promoting student life on campus are its goals.

Kappa Gamma Rho is the newest fraternity on the UNH campus. The fraternity was founded in 1997, with the intentions of supporting the surrounding community and the University of New Haven by working with the University administration, various campus organizations, and the local community. Kappa Gamma Rho promotes good and welfare, equality, and diversity. Within the fraternity members strive for betterment of the individual and strongly believe in the goals of brotherhood and teamwork.

Phi Sigma

Phi Sigma Sorority has the goals of promoting service, scholarship, and friendship. A Phi Sigma is an individual of any age, race, or creed. The sorority's efforts are directed towards attracting a unique type of sister, seeking a woman who is involved outside of herself and willing to commit to the goals of the sorority. Phi Sigma was founded in 1986 when Zeta Beta Tau sisters broke away from their brothers.

THE THE PROPERTY OF THE PROPER

Where only those that are truly excellent can survive!

Gong Show

Mary Boyer, the third place winner of the Gong Show, does her rendition of the Saturday Night Live skit Super Star.

Below: Judge Ashley Briggs does what she knows how to do best.

Right: These two Cowboys tried to sing their way into the hearts of the audience, but unfortunately the judges didn't feel the love. And they got CONCED!

*

Left: Nikita Harris blows the audience and judges away with her rendition of the Deborah Coxsong "How Did You Get Here." It was enough to win her first place.

Above: The judges of the Gong Show smile for the camera. If only any of them had the courage to battle the gong.

Left: Sean Garrity belts out a few tunes.

Below: Matt, just passing through the Student Center, looks like he just might take off his coat and scarf and stay awhile.

Accidental Grove mixes it up a bit, for your listening pleasure.

It looks like both Garrity children have some singing talent. Here Tracy shows the audience what she's got.

Lead singer of Accidental Grove is really getting into things.

Band Night

Above: Maria and John seem to be having a great time listening to their friend's band, Frame of Mind.

Frame of Mind and Accidental Grove For the past two years Chi Kappa Rho Sorority has given the opportunity to the students and faculty of the University to pie some of our famous faces... why should this year be any different?

Pie in Face

Can you figure out what UNH student this is?

Could that be Coach Rizzi under all that pie?

Left: President DeNardis likes his pie so much that he decided to eat some of it before he cleaned off.

Above: Richelle Clini is having way too much fun pieing SCOPI co-chair Keith Jenkins.

Left: The Fire Science Club was just one of the many clubs present at the Open House.

Below: Jeremy, a member of LAE hams it up for the camera.

Above: Rally the Raven makes a special guest appearance.

Mark, president of the Sports Management Club, is thrilled to be up so bright and early on a Sunday.

This A-team member deserves a congratulations on another fine job.

Alcohol Awareness Week

Students walk into the center of the quad during the Candlelight Vigil.

Police Officer Gondor gives a student a sobriety test in the lobby of Sheffield Hall.

Below: Alison Arico lights Jason Cella's candle at the Candlelight Vigil in the quad, sponsored by Phi Sigma Sorority and Kappa Gamma Rho fraternity.

BAYER HALL

Left: President DeNardis unveils the new name of the admissions building. The building will now be known as Bayer Hall.

Below: A new flag is being added to the ceiling of the cafeteria.

The campus clean up, before the Open House, was a huge success with the help of the Basketball team.

Even Becky Johnson came out to help clean up.

Campus Events

Above: Two of UNH's finest help at the Open House. This was one of the largest open houses that the University has had. Approximately 800 people were in attendance, with 300 being prospective students.

Dear Chrystie,

Your four years at UNH went so quickly. It was not always easy. It truly was a learning experience both in life and education.

Through it all we watched you pursue your dreams and make it a reality. We are so proud of you. Wherever your dreams lead you, remember we will be there for you.

Congratulations and good luck!

Love Mom, Dad, and Janine

Congratulations to a wonderful daughter!

It has been joyous to watch your determination in reaching your goals. Your Mom and Dad wish you continued success as you pursue your life's goals and dreams.

...to finish

To the Class of 2000,

We would like to congratulate everyone who has finished their journey here at UNH. For most of us it's been a tough, yet rewarding experience. We've all encountered a lot since freshman year and have hopefully grown wiser from our experiences. We wish the best of luck to everyone in the future; we hope you will all be very successful in whatever you chose to do. We would also like to thank everyone who made the production of this yearbook so successful.

Laura Tagliarini- Well we did it! Thank you for all of your help and support. Your positive attitude and outlook have made working on this book both pleasurable and exciting.

Bob Sasena-Thanks for your continued support from day one, you helped make our book terrific. Also, thanks for the extensions, your patience is a virtue.

Silvia Hyde - (advisor) Thank you for the last minute proofing. You are like fine a tooth comb when it comes to finding all of our overlooked errors.

Staff workers - We wanted to thank everyone who either took pictures, or contributed their personal photos, it helped in a major way. Thanks again.

Em - When it came to crunch time, you really came through. You made it possible for us to finish the book on time.

Pat - You were a tremendous asset in finalizing our book. Thanks for getting all those sports shots. Your motivation will take you far, good luck next year.

Charger Bulletin - Thank you for all of the great pictures and the use of your printer.

Chrystie - Well, what can I say, you've been the best. I couldn't of asked for a better coeditor. We started out together as freshman roommates, and who would of thought we would finish together. I had so much fun creating this book with you. We made a fantastic team, every decision we made on the yearbook was the power of two creative minds working together. Not only have you been great to work with, but you've also been a great person and friend. I hope our friendship continues for years to come.

* Last, but not least, I wanted to thank my parents (Paul & Rose). Without your support, guidance and direction I would never be where I am today. Thank you both so much for being such wonderful, loving parents.

Paula - Our time here together has truly gone full circle. When I first met you, freshman year, I never thought that we would end up being the editors of the yearbook together. I have enjoyed working on the yearbook with you. We made a great team. The experience has been both fun and rewarding. I wish you the best of luck in the future, and I hope our friendship continues to grow. *I would also like to thank my parents (John & Eileen) for all their support. Throughout my life you have never doubted me and that has brought me to where I am today. I love you and cannot express in words all you mean to me.

Creating this yearbook has been a rewarding experience and we hope all will enjoy the yearbook as much as we enjoyed creating it. We are dedicating this book in loving memory to our classmate and friend, Christina M. Smith.

Do not stand at my grave and weep;
I am not there, I do not sleep.
I am a thousand winds that blow;
I am the diamond glints on snow.
I am the sunlight on ripened grain;
I am the gentle autumn's rain.
When you awaken in the morning's hush,
I am the swift uplifting rush
Of quiet birds in circled flight.
I am the soft star that shines at night.
Do not stand at my grave and cry.
I am not there;
I did not die.
